SUNDAY SERMON

A Sober and Helpful Discourse by Dr. Talmage.

Now the most different theories, and the most peculiar definitions of the word "success" are afloat. Some men think that success consists in getting a great deal of money, and others think that success consists in getting a great deal of fame, and others think that success consists in getting a great deal of both money and fame. Now, I am not going to tell you what success is, but I am going to tell you what it is not. It is not the getting of money. It is not the getting of fame. It is not the getting of both money and fame. Success is the getting of character. Success is the getting of God. Success is the getting of heaven. Success is the getting of the approval of the Lord Jesus Christ. Success is the getting of the crown of glory that fadeth not away. Success is the getting of the kingdom that cannot be moved. Success is the getting of the eternal weight of glory. Success is the getting of the Lord Himself for your portion. Success is the getting of the Holy Ghost for your sanctifier.
